A PROPOSAL ON THE AUDITOR'S REMUNERATION

A PROPOSAL THAT THE BOARD OF DIRECTORS BE GIVEN AUTHORISATION TO PURCHASE THE COMPANY'S OWN SHARES

NoHo Partners Plc's Board of Directors proposes to the Annual General Meeting to be held on 24 April 2019 that the Board of Directors be authorised to decide on the purchase of a maximum of 800,000 of the company's own shares, using the unrestricted equity of the company, in one or several tranches, taking into account the regulations of the Limited Liability Companies Act concerning the maximum number of shares in the company's possession, under the following terms:

The company's own shares shall be purchased with the funds from the company's unrestricted equity, decreasing the distributable profits of the company. The shares shall be purchased in trading on the regulated market in the Helsinki Stock Exchange, and therefore the purchase takes place by private placing and not in relation to the shares owned by the shareholders. The sum paid for the shares is the price announced on the acquisition day for NoHo Partners Plc's shares on the regulated market on the stock list of Helsinki Stock Exchange. The shares are purchased in trading organised by Nasdaq Helsinki Ltd in accordance with its rules and regulations.

The shares can be purchased for financing or carrying out possible corporate acquisitions or other arrangements, to implement incentive schemes within the company, or for other purposes decided upon by the Board of Directors. The maximum amount of the shares to be purchased is equivalent to approximately 4.2% of all the shares and votes of the company calculated using the share count on the publication date of the notice of the Annual General Meeting, so the purchase of the shares does not have a significant influence on the share ownership and the distribution of voting rights in the company.

The Board of Directors shall decide on the other matters related to the purchase of the company's own shares.

The purchase authorisation is proposed to expire at the end of the 2020 Annual General Meeting, however no later than 18 months from the Annual General Meeting's authorisation decision.

A PROPOSAL THAT THE BOARD OF DIRECTORS BE AUTHORISED TO ISSUE SHARES

NoHo Partners Plc's Board of Directors proposes to the Annual General Meeting to be held on 24 April 2019 that the Annual General Meeting, revoking previous authorisations to issue shares, authorise the Board of

Directors to decide on the issue of up to 2,000,000 new shares, and on the assignment of up to 800,000 of the company's own shares held by the company ("Share Issue Authorisation").

The new shares can be issued and the company's own shares held by it can be assigned in one or more instalments, either with or without payment. The new shares may be issued and the company's own shares held by it can be assigned to company shareholders in proportion to the company shares that they already own or, deviating from the shareholders' pre-emptive right, in a special share issue if, from the company's perspective, there is a justified financial reason for it, such as the financing or implementation of corporate acquisitions or other arrangements, development of the company's equity structure, improvement of share liquidity or the implementation of company incentives schemes. The issue of new shares or transfer of the company's own shares held by the company can also take place against apportionment or by using a claim for the company held by the subscriber to redeem the amount to be paid for the issue price or the price to be paid for the shares. A special issue may only be arranged without payment if a justified financial reason exists in terms of the overall benefit of the company and all of its shareholders.

The Board of Directors shall decide on the other matters related to share issues.

It is proposed that the Share Issue Authorisation expire at the end of the 2020 Annual General Meeting, however no later than 18 months from the Annual General Meeting's Share Issue Authorisation decision.
